Applicable FCC Rules and Regulations

Compliance has been demonstrated and certified according to the following Federal Communications Commission (FCC) rules:

- **FCC 47 CFR Part 2.1091:** Radiofrequency radiation exposure evaluation (mobile)
- **FCC 47 CFR Part 15.247:** Digital Transmission Systems

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC User Information Note

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential or medical installation.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Certification Body

This device has been evaluated and authorized by the Telecommunication Certification Body (TCB) MiCOM Labs Inc. The specific TCB Certificate Number for this device is: DTS-TC599064.

Signed for and on behalf of:

Groningen, 31 December 2025
